PRES. OPPOSES REDUCTION OF THE TAX LIMIT

Washington, Sept. 9.—President Wilson does not look with favor upon the reduction of the income tax limit as a means of raising revenue in the "war tax" bill, it was learned today. His advisers are based on the fact that no revenue would yield from this source for some months to come.

GERMAN FALL BACK IS DECLARED A RETREAT, NOT STRATEGIC MOVE; THE BATTLE STILL RAGES

Paris, Sept. 9.—An official communication issued this afternoon says the situation at the front remains satisfactory. The German right is retreating before the English. The French center is slowly advancing. The situation of the French right is unchanged.

Bordeaux, France, Sept. 9.—Minister of War [illegible] announced this afternoon, following the issuance of the official bulletin which was given out late last night, that the situation of the French general has now been cleared and that the French and their allies are now on the offensive. The allied armies after inflicting enormous losses on the enemy, retrieve to the line originally selected and gave the Germans [illegible]. The Germans exhausted by their efforts now find themselves confronted by the equal strength of the French active army, reinforced by the British expeditionary forces [illegible]. The German's position's disadvantages are again [illegible].

She is here to answer any and all letters of a personal nature. Let her help you. Write to Miss Dolly Wise, care The Daily Times, Portsmouth, O.

Dear Dolly—I am a stranger in your city and thought perhaps you could help me get a position. I am a young widow with a 7 year old son and would like a place in some good family where I could keep my little boy and send him to school. I can cook and do housework, and a little boy could run errands and do little chores before and after school. If you know of any place let me know as soon as possible.
YOUNG MOTHER.

I have the name and address of this woman and will be glad to furnish same to anyone in need of a good housekeeper.

Dear Miss Wise—I am a married man and work every day. When I come home on pay day I hand my wife my envelope without opening it. If I expect to need a hair cut I have to earn it for two hits. I have a razor of my own or I never would get shaved. My wife goes to shows and takes her friends. She takes care of the baby. I haven't seen the inside of a picture show for ages. Sometimes I go home to supper and my wife will be upstairs. I call and she calls a jack late and I have to go back to work. Gee, I wish I had a wife like married men and old bachelors and do just there. If I Dear Dolly, please tell me what to do. I don't drink, swear, smoke or chew. My wife never reads the Times or I would put the blame for this up to her. I know what that would mean. She wouldn't speak to me for two or three weeks. I sometimes ask to go with her to the show or on the street but as the baby would wake up the street and would have to remain home to "look after" the baby she takes her friends. All I can say is that you are a lucky boy to have me to be your friend. I can count on my fingers the number of men who are as good to their wives as I am.

I never feel like I am a wife but only a slave for him. I go down street. I see things I want for me but I can't get them. I can get credit most anywhere in town but if I go to debt I know I have to pay it and pay it off myself. I have to get all my clothes and everything I get I never see me. I am a wreck both in mind and health. I don't care if I won't stay until he treats me right or not. I have been married for 7 years. I have no children and no money to pay for my bill. If he refuses to work you can have him arrested. Don't allow him to abuse you. Visions of the workhouse would soon turn him up and take notice.

Judge Blair Files Suit Aimed Against Mayor

Differences of opinion existing between Mayor Frick and Judge A. Z. Blair relative to the manner of procedure in the mayor's court in the cases of Mr. and Mrs. Philip Cope, convicted in police court, Tuesday morning on a charge of renting rooms for immoral purposes, assumed a serious turn late Wednesday afternoon, when Judge Blair filed in common pleas court a suit in mandamus seeking to compel the mayor to deliver to him a transcript of the proceedings and the bill of exceptions, properly signed, in order that he can go ahead with his intention to file a petition in error in the court of common pleas.

At the same time, Prosecution of the sentence imposed by Judge Blair in the absence of Thomas, granted the temporary injunction prayed for restraining the mayor from carrying the sentence imposed and ordering that the former be confined in the jail, and will be held there until such time as he is in the custody of the court. It will be able to show that the mayor has acted unless they pay their fines as exceeded his authority. The case will be heard by the court, while Saturday, the mayor, on the other hand, is of the opinion that he is in the right and will stand by his decision as long as possible. That he is in the right is contended by the court clerk, and claims that the law gives him the power to act. It is believed that the case will be heard by the court of appeals as soon as possible, as both sides are anxious to get a decision.

Judge Thomas, upon stated the mayor Wednesday afternoon, "I am positive in my case and will stand by my decision." The case was filed in the court of common pleas Wednesday afternoon when informed of the mayor's action in the police court.

THIN BLOOD AND DYSPEPSIA

Thin-blooded people generally have stomach trouble. They seldom realize the fact that thin blood is the cause of the indigestion but it is.

Thin blood is one of the most common causes of stomach trouble. It affects the digestion at once. The glad is that for such troubles as these are dissolved in the stomach, the stomach is never weakened and there is a feeling of better health. In this condition neither will nor appetite be lacking, digestion and normal nutrition than good, rich, red blood.

Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and thereby build up digestion, work nerves, stimulate the tired nerves and awaken to normal activity the glands that supply the digestive fluids. The first sign of returning health is an improved appetite and soon the effect of these same pills is evident throughout the system. You can tell what you eat does you good and that you are strong and vigorous instead of listless and listless. You can now on the road to health and cease to be sick all that you need.

The Dr. Williams Medicine Co., Schenectady, N. Y., will send you a free book free on request. Your own druggist sells Dr. Williams' Pink Pills.

TEAGUE MADE SENATORS EAT OUT OF HIS HANDS

Locals Won Easily By A 4 TO 1 Score, Babes Now Here

(By F. W. Sheridan)

Clarence Teague, Illinois cornshucker, who was trented so brutally by the Charleston Senators last Sunday, did the come back stunt in great shape against the same aggregation, Tuesday afternoon at Millbrook Park, propelling the ball through the ozone at such mystifying angles and with such weird cunning that he held the Beers' Buzzards to two measly hits, fanning eleven men and allowing but one counter. While Teague was holding the invaders safe, the locals jumped onto Mr. Shipe for eleven juicy drives, good for four large and speckled runs, thus enabling the Childs made-off-like-a-bandit crew to walk off with the odd contest of the five game series and advancing on the leaders to within the space of one game, or a small'er toe hold than the West Virginians had when they invaded these sacred shores.

The game was played in zero weather, but Teague, who is used to shucking corn when the leaves are a beautiful brown and the wind has the supreme satisfaction, frost has nipped the pumpkin of nippage its each summer. The vines, seemed to enjoy the past-time and was at his best when a blast of Arctic weather on the hoof and Pat Ba would sweep across the green sward, causing the fans to pull up the coat collars and blow into their hands to keep from being frost bitten. Teague was complete master despite the weather conditions, and ought to be a mighty good man to shove in during the early spring time when a game is just as liable as not to be played in a snow storm. Clarence dear boy, came out for revenge and he has a whole trunk full all wound round with a woolen string which he expects to deport to that dear old Illinois and display to his numerous friends and kin folks when a husking bee is pulled off. True he was wild-walking eight men, but he was so tarnation stingy with hits that the visitors were extremely fortunate to score a single run. In fact, that run, while it looks good in print, was the result of the flakiest two bag ger that ever left a bat. Shipe hitting one with his thumb and send-

WITH ONE GAME LEAD SENATORS RETURN HOME

... second Booster Day, and a large crowd will no doubt be on hand. The locals hope to annex five more from the Babes. While they are doing this it is thought the Lexington Colts will be able to capture two from the Senators, in which event the locals will cop that rag after all.

Local fans will be much interested to learn that Eugene Arundel is booked to work at Charleston during the games between the Senators and Colts. This is as some fans wished, they openly bragging while here that with Arundel working at Charleston the Colts would have no more chance than so many rabbits. Arundel, it seems sort word that he had contracted ear trouble and for that reason refused to come to Portsmouth for the series between the locals and Senators. However, he was not sent to a hospital, but hopped over to Lexington where he worked in two series between the Colts and Babes. It's a fine stall the pitcher made, a mighty fine stall. He is not able so just the same and got ... with his queer stuff. Had he been here, the best's would have won four from the Senators and copped the rag. And now the big fellow is allowed to work at Charleston. It's great stuff the magnates have put in the league. Every thing seems to be breaking Charleston's way, and if they don't win the rag there will be exceedingly great disappointment in ... fair quarters.

Popular Biddy Beers Maried Last Night

Biddy Beers, popular manager of the Charleston Senators, put the capsheaf on his most successful season Tuesday evening when he led as his bride Miss Sherwood, one of Portsmouth's most popular girls. The ceremony was performed at the home of Rev. A. S. Dunning about nine o'clock Tuesday evening in the presence of a few invited friends of the bride and groom.

While there have been rumors of the approaching marriage of the couple for some time past the affair came as a surprise to the majority of their friends and acquaintances.

The popular Judge Beatty was heard about right when he was seen by the press representative and he was wanted for his office about lunch time.

DRIVER IS BADLY HURT WHEN HORSE RUNS OFF

John Denning, a driver, was injured about the hip and had several teeth knocked out when thrown from a wagon belonging to his employers, Leicuner & Jordan, commission merchants, during a runaway in the West End Wednesday morning.

The horse frightened when Denning and his son, Will Denning dropped one of a supply of empty crates they were loading for removal from the firm's warehouse to its new building on Tenth street. The animal ran down Stanton's alley, crashing against the side of Gloekner & Meyer's liquor building, breaking one side of the shafts and throwing Denning from the wagon. The horse continued across Front street and up the flood wall terrace. It sprang upon the wall with front feet then suddenly swung aside running between the wall and a telephone pole, running into another pole a short distance below and zigzagging down Front street, grazing a number of wagons and buggies. At the corner of Front and Jefferson street the runaway struck against and damaged a fire plug, tearing itself loose and breaking the other side of the shafts which struck the animal, inflicting an ugly wound on the hip. The horse was stopped by John Capekart before further damage could result.

The same horse ran away while Will Denning was driving it at New Boston one day last week.

Sunday School Has Fine Picnic

(Contributed)

The Sunday school celebration at the Scioto Ridge chapel on Labor Day was an event which all of which were used in the two hours allowed for dinner. The only regret some certain folks were heard to express was that they eat all they could and then had to leave a lot of good things on the tables, pass them around and urge everybody to help themselves a second time. The Sunday schools were located from again. Some good addresses were given by the ministers and Sunday school superintendents and others. Following this Will son A. Holmes gave a very instructive talk on Sunday school work and presented a lot of good help to Sunday school workers.
